

Awkward is the New Superpower!

Activate the powers on the team of heroes you already have.

ENGAGING

If you're looking for a keynote speaker who will **engage**, educate, and **entertain** the audience at your next event, Andy Vargo is the guy. Not only will attendees be glad they came, they'll leave with **energy** that **inspires** them to be their best selves and **thrive**.

~Melissa Hughes, Ph.D. Author- Happier Hour with Einstein

Endorsements

Rarely have I ever encountered a Keynote Speaker of the **caliber** of Andy when it comes to sharing a **game-changing** message in a thoughtful, **humorous**, and impactful way.

~Dennis Pitocco Chief Reimaginator- 360 Nation

The Own Your Awkward Guy

Andy Vargo is the catalyst for transforming quiet-quitters into motivated contributors. Having experienced years of self-doubt, he understands the power of embracing authenticity.

Andy challenges employers to engage employees by celebrating individuality and turning their insecurity into a superpower.

As an author, speaker, comedian, and podcast host, he shares practical strategies to ignite passion and empower teams.

Join Andy Vargo on this transformative journey to unlock the full potential of your team through the power of authenticity.

HUMOROUS

INSPIRING

Most Requested Keynotes

Unleash the Unstoppable You!

Tackling challenging issues with honesty and humor in a way that will leave audiences empowered to be themselves and thrive.

Looking for Leaders in All the Wrong Places

Teaching your team to identify when they are stretching their leadership muscles so they can use them with intention.

Change Your Thinking. Change Your Life!

Daring your audience to reframe the way they think so they no longer feel like a victim to change and can take action.
