“  
*Julie was great! I got so many ideas from her presentation! I loved her humor too!*  
”

- Conference Attendee, Association of Change Management Professionals (ACMP)

## SAMPLE SPEAKING TOPICS

### The "Secret Sauce" of Leading Transformational Change

Learn the three most effective skills you can develop to ensure your transformational change is adopted to bring the business results you need.

### Women in Corporate America - Our "Dirty Little Secret"

I hate to tell ya, but Murphy Brown is dead... let's explore our journey through the glass ceiling and critically examine our journey forward. The opportunities are endless.

### Creating a Generationally-Inclusive Culture through Reverse Mentorship

There are currently four generations in the workforce and each brings strengths and weaknesses - that's not new. What IS new is the need for Reverse Mentoring - a movement that recognizes that knowledge and learning no longer come only from age and experience.

## BIO

### Julie helps corporate executives lead and succeed at transformational change.

Julie is a Strategic Change Consultant and Executive Coach specializing in transformational change. She helps leaders thrive in today's constantly changing business environment, believing that change is the new normal. Through her two companies, Julie Noonan Consulting and Intuitive Wisdom Coaching, she ensures that leaders thrive and seize the opportunities that present themselves through the exciting chaos that is our new normal.

### Previous speaking engagements:

## CONSULTING AND COACHING SERVICES
